### Welcome to all Veterans who served during the Vietnam Era

Membership is open to U.S. armed forces veterans who served on active duty (for other than training purposes) in the Republic of Vietnam between February 28, 1961, and May 7, 1975, or in **any duty location** between August 5, 1964, and May 7, 1975.

**As Of October 20, 2018 there will be only one class of membership – LIFE MEMBER. Cost: \$50.00.**

If you have new members to send in at the \$20, one year membership – send them immediately or check to see if the veteran wants to pay the difference and become a member for life. During the next 12 months, as one year memberships expire, the only renewal available will be a Life membership for \$50. If you have members on the three year Life payment plan they will be converted to Life Memberships per the agreement when all payments have been received.

- Many of our chapters now have a majority of their members at the Life membership level so this is an excellent time to convert all of your members to Life members. Some chapters have been offering to pay the difference to those who can't afford the upgrade. I am sure you can all figure out options for your chapters. The annual rebate payments from National will continue as usual.
- New membership application forms will be printed. Until then you will have to improvise with the ones we have or print your own forms.
